Legal Considerations before Starting a Nonprofit

Tuesday, April 3, 2018 – 9:30am-11:30am

Starting a nonprofit requires navigating a complex legal process, leaving many new groups without the knowledge and resources needed to make practical legal decisions for their organizations. This workshop will help you understand the various legal concerns new nonprofits face and provide tools to make informed decisions. Jennifer L. Franklin and Maura L. Whelan, expert attorneys from *Simpson Thacher & Bartlett LLP* will review legal structures, walk you through the formation process, and discuss ongoing operational considerations.

Financial Management Basics for Newly Established Nonprofits

Tuesday, April 10, 2018 – 9:30am – 11:30am

The effective management of finances is a crucial aspect of running a nonprofit organization. This workshop will outline what new and emerging nonprofits need to know and do to develop and manage an organization's budget. Keith Timko, executive director of Support Center, will instruct you on the basics of budget development and cash flow projections, key issues for financial reporting, and resources for strong financial management.

Best Practices for Good Governance and Board Development

Tuesday, April 17, 2018 – 9:30am – 11:30am

What are the essential considerations when creating a board of directors as a new nonprofit? In this workshop, knowledgeable Board Coach Michael Davidson will explain the dynamics of a founding board, assessing board members' qualifications, and defining board responsibilities.

The session will also examine issues of legal compliance and good governance. Expert attorney Shira M. Helstrom from *Morgan, Lewis & Bockius LLP* will give insight on implementing policies to meet local, state, and federal regulations, understanding board responsibilities and best practices, and staying on track with filing requirements.
