

## ABOUT THE PROGRAM

This training is made possible by funding from DYCD, and is available at no cost to CBOs with which DYCD contracts. DYCD grantees must register on CBEvents.

Participants who attend four of the six training sessions will receive a Board Governance Certification on behalf of Support Center and preferential consideration for Board Build 2019.

In addition, organizational attendance to at least three sessions is strongly encouraged for organizations wishing to undertake deeper governance work with Support Center by June 30, 2020.

## ABOUT US

For over 30 years, Support Center has been dedicated to increasing the effectiveness and capacity of nonprofit leaders and their organizations. Our mission is to empower nonprofits and social enterprises to transform their leadership and management to accelerate positive social change.

Developing nonprofit leadership has been at the core of our mission since day one, and we recently renewed our commitment to focus on leadership development within and across organizations, leveraging our “communities of practice” model and working with organizations in advance of leadership transition to explore internal career pathways.
