Support Center Seeks a New Program Associate

About Support Center
Support Center’s mission is to empower nonprofits and social enterprises to transform their leadership and management and accelerate positive social change. Support Center is a nonprofit capacity building organization created as part of an international network of management support organizations (Support Centers of America) originally established in 1971. We have been a trusted partner to nonprofits in the greater New York/New Jersey/Connecticut area for more than 30 years. Support Center specializes in organizational development, consulting and executive transition.

Within the world of management support organizations, we are unique in our commitment to being a deeply engaged “partner” to the nonprofits with which we work. We take the long view in committing to help our partners and propose long-term navigational support for organizations to ensure that our work leads to sustained change and success. We work in close collaboration with our clients, ensuring that the work is focused on accomplishing goals as we continuously assess progress and refine the strategy as needed. Videos on our YouTube channel provide a glimpse into our culture and values.

About the Position
The Program Associate will report to the Associate ED and work with a dynamic core team, 20+ affiliate consultants, and 12 navigators. This position is full-time.
